

SOLID ROCK CHAPEL, SULLIVAN, ILLINOIS JOINS DHF

On November 12 Solid Rock Chapel, Sullivan, Illinois voted to join DHF. The church started several years as a new congregation totally independent of any association or denomination.

Pastor Kenny Bontrager saw the need for association beyond the local church and talked with DHF pastor Al Rennert about his connection with DHF. Bontrager explored DHF's online material and felt it would be a good match. He met with Doug Harvey, than had Doug speak to the congregation. At a congregational meeting on November 12, the church voted to become part of the DHF family.
