

ROCKWOOD SELLS BUILDING, PURCHASES NEW CHURCH SITE

In March, Rockwood Christian Church, a DHF church in Ft. Worth, Texas, announced the sale of their current building and the purchase of property for a new building.

They purchased seven acres of prime land near the corner of Hwy. 287 and Loop 820. When built, the new church will be seen from Loop 280, giving it far more visibility than its current location on Jacksboro Highway.

The congregation also voted to sell the current church property to an area businessman. The contract allows the congregation two years to vacate their current property.

Excitement is high as the Rockwood congregation enters a building fund drive and finalizes plans for their new building.

Steve Henton is pastor of the congregation. Steve is vice-president of the DHF Executive Board and a long-time active part of the ministries of Disciple Renewal and DHF.
