Thanks for your continued prayers for our travels. Some have asked us how we are enjoying our vacation? Furlough is no vacation, but it is a lot of traveling and visiting with wonderful people all over the country!!

A Big Texas Welcome

## A Big Texas Welcome

TV preacher

We have continued to travel, and have been welcomed by some great people!! We have been received by Paducah, TX Church and even preached on cable TV for the first time.

When we arrived in Amarillo, we were welcomed by the Mayor Debra McCartt. Actually she was just driving up to the motel just as we were arriving, and asked where we were from. We told her that we were missionaries in Tanzania. She said " I am the Mayor of Amarillo, welcome, and thank you for your service in Africa."

## Exciting life

On this trip we have visited churches and individuals in Arkansas, Missouri, Kansas, Oklahoma, and Texas on this trip. On Monday, Judy flew back to Portland, and i am on my way to Gainesville, FL. From Gainesville, I will travel to Kenya, and then Tanzania on Monday, Sept. 17-18. I will be teaching in the church planting course in Arusha, and then visit church planters in different areas and attend our CMF team meeting.

I will get to visit both Kendra and Jack while I am in Africa. My to the US is Oct. 24, the day before my 55th birthday. I will get back just in time to have our grandchildren sing happy birthday to me!

## Beds??

They keep adding up!!

By the time I reach Portland on Oct. 24, I will have stayed in 60 beds!!

The hospitality around the country has been great. God bless each of you.

## CMF Training Center Video

We are building a Training Center in Arusha. This center will be used to train our National Church Planters. We are building it in three stages. We have received \$20,000 from one church in Kansas that will complete stage one. We still need \$40,000 to complete stage 2 and 3. Watch the video

(the link is up on the left) on [youtube.com](https://www.youtube.com) and see what we are doing. Could you help us in raising the remaining \$40,000?

## Vehicle update

We appreciate everyone who has helped so far with raising funds to buy our new Toyota Land Cruiser. We now have \$23,000. We still need \$17,000. Plus we are hearing from Tanzania that the cost may have gone up. I will be checking on this while I am there.

## January return to Africa!!

Both Judy and I will return to Tanzania to live at the end of January. We still have some churches and individuals to visit in November, December and January.

Blessings,
