## *Gary and Judy Woods--Tanzania*

**Dear Friends,**

Greetings from cold Oregon!! As I write today it is 35 degrees!!! (It is 80 degrees in Arusha today).

The time has flown (literally as we have flown all over this country). We are now 2 months from our departure to Africa.

The greatest joy of being here in the USA was to spend time with family, and "catch up" with so many of you! It has been great to have opportunities to share with you the exciting things that God has been doing in Kenya and Tanzania. We are thrilled at your response to the goal of putting a gospel presence among the 38 unreached people groups of Tanzania.

### **Where in the world are Gary and Judy?**

We left Portland on November 9th, for a 10 day whirlwind trip. We flew to Kansas City, and visited two churches in Missouri. We had a fantastic Thanksgiving dinner at Warsaw, and we enjoyed a wonderful soup supper in New Bloomfield. Then we flew to San Diego, CA where we spoke at two chapel services at a Christian School where my cousin's children attend.

Next, we flew to Corpus Christi, Texas where we enjoyed seeing our friends, Jo and Angela Hise. We presented our program at their church, Fulton Community Church in a special evening. They are a new supporting church, and we appreciate their generosity very much!

We ended this trip in Ft. Worth, Texas at another new supporting church, Heartsong Fellowship. They are meeting in a school auditorium, and they have a great vision to reach their area for Christ.

It has been fantastic to have the opportunity to travel and share what God is doing in Africa. We have some more stops ahead.

## The Biggest Question

As we travel around the country, we would expect to be asked questions about the work in Africa, or how we are adjusting to life in the USA. BUT the most frequently asked question has been,

"How many beds have you slept in now?"

Well, the answer is so far we have slept in 70. We will be adding to that count, as we have more traveling to do.

## Graduation

As we have shared with you, God has brought us some wonderful national team mates!! I work closely with Robert, as he is overseeing church planting in Maasai and Digo. (He is the one in the red shirt).

Robert is in the US right now finishing up a Master's degree in Theology at Wake Forrest University. He will graduate on December 14. Judy and I will be flying there to share with him in this special celebration!! Robert arrived in North Carolina in May. I know that Robert has enjoyed this course, but he is also missing his wife and children back in Tanzania. He returns home on Dec. 17, and looks forward to reuniting with his family and friends and continuing the ministry of Church Planting.

If you want to congratulate Robert, his address is:

## Wedding Anniversary

After the graduation in Raleigh, NC, we will drive to Myrtle Beach, SC, to celebrate our 35th Wedding anniversary. We are thankful for the years that we have had together in ministry, and look forward to many, many more.

We will continue to visit with friends and supporters in Oregon and Washington in December. In January we will be making a presentation in Amarillo, Texas and participate in Trinity Fellowship's Zion meetings. Our plane leaves for Africa on January 30, 2008.

We are thankful for all of you and how you have partnered with us in this ministry with the unreached people of Tanzania.

**Sincerely,**

Gary and Judy Woods
