GraceNotes from Nancy Kay Grace

LET GOD LOVE YOU!

It's a simple thought, but too often we get busy with our lives and neglect to remember it. We get distracted, preoccupied, restless, bored, harried, or hurried. We forget to think about the great love God has for us. We think we have to do something to earn it. Sometimes we resist God's love, thinking we don't deserve it. We hear about it at church and teach it to our kids, but rush on through life without stopping to savor the love God has for us.

Right now, take a moment to reflect on the love God has for YOU. Quiet your heart and meditate on these verses from Psalm 103. Savor God's love for you.

"For as high as the heavens are above the earth, so great is his love for those who fear him....As a father has compassion on his children, so the Lord has compassion on those who fear him....From everlasting to everlasting the Lord's love is with those who fear him.."

Recently, when teaching a group of children about God's protecting love, I used a simple demonstration of placing a dry paper towel in an inverted glass and immersing it in a bowl of water. The wide-eyed children were enthralled. I prayed it the paper towel would remain dry as I carefully submerged the glass.

"It looks so big!" was an enthusiastic comment from a child who noticed the size of the paper towel was magnified in the water. (Yes, it remained dry!)

Take a moment to look at the love God has for you, and see it magnified, bigger than you first thought.

Ephesians 3:18 -19 gives us a glimpse of the magnitude of God's love for us.

"I pray that you, being rooted and established in love, may have power, together with all the saints,

to grasp how wide and long and high and deep

is the love of Christ, and

to know this love that surpasses knowledge

that you may *be filled* to the measure of all

the fullness of God."

With a love so encompassing, relax in His presence,

and *let God love you!*
