Dear Friends,

Hello from cold and snowy
England!!

This is supposed to be spring in
the northern hemisphere, but it
has been snowing off and on all
Easter weekend.

**Anyway, just wanted to let
you know that the Doctor
has released Judy, and
she finished her last eye drops yesterday.
She has 85% of her sight!! This is good,
and the Doctor said that it could improve
in the next month.**

The mixed news is that she has a wrinkle on the retina,
and she needs a second surgery. He has scheduled to
see her on July 17. So, we have to return here for 10-
14 days in July (at least the weather will be better!!).

We fly to Nairobi on Wednesday morning, March 26. We
will stay in Nairobi for a few days, and then return to
Arusha.

Thank you for your prayers and financial support that
has made it possible for us to stay in London and have
this delicate surgery done.

We will write from Tanzania with an update on the
Church Planting training course that continues. I will be
teaching a week on "Spiritual Warfare" in April.

Love, Gary and Judy Woods
