

FIRST CHRISTIAN CHURCH, PITTSFIELD, ILLINOIS, JOINS DHF

On July 8, the Board of First Christian Church in Pittsfield, Illinois, voted to join DHF.

The Elders and the Long Range Planning Committee of the congregation both recommended affiliation with DHF. The board vote was unanimous.

FCC is currently in a growth period. Since pastor Michael ten Eyck arrived, attendance has grown dramatically. Last spring the congregation had to worship in their activity center because the sanctuary was unable to seat the congregation, even with two services. They have been able to return to their sanctuary over the summer, but continue to face the problems of growth.
