

## RON RECTOR CALLED TO MOUNTAIN HOME, ARKANSAS

Ron Rector, pastor of First Christian Church in Maroa, Illinois, has been called to First Christian Church of Mountain Home, Arkansas. Over the last five years, Ron has led the Maroa church in a major turnaround. The church was on the verge of closing when Ron arrived. Under his leadership they have grown from fewer than 20 in worship to nearly 100. The growth has been in more than numbers, however. The congregation has renovated their building and become a center of activity in the community.
