

## **DHF Chaplaincy Endorsement**

DHF receives occasional inquiries about chaplaincy endorsement for military and institutional chaplaincy positions. Most of these positions require some sort of denominational endorsement.

DHF is not a denomination, so we are not able to directly provide denominational endorsements, but through our membership in the National Association of Evangelicals (NAE) we are able to provide a path for endorsement for military chaplaincy. Chaplains are endorsed by the NAE as DHF chaplains.

The NAE does not currently have a program for institutional chaplaincy endorsement, but in most cases membership in the DHF Pastor's Association is accepted in lieu of a denominational endorsement.

For more information on either type of endorsement, please contact DHF directly by phone at 217-873-5126 or email to [dhfdoug@aol.com](mailto:dhfdoug@aol.com).
