

Elaine Rice

I was born in Decatur, Illinois, but have lived all but 8 years in Lovington, IL. My husband and I were married in 1968. We have 3 grown sons, 3 grandsons, and 1 granddaughter. I graduated from Lovington High School in 1966 and from that point went to work and started a family.

I have been working and training at DHF since November 2004. "It really is a blessing to work with Doug and Debbie in a Christian environment. I believe I am growing in knowledge of the lord and in modern office technology (though at time it seems slow)".

I accepted the Lord Jesus when I was a child, but during my teen years I sort of let God slip out of importance in my life. When I married I realized I needed Him to rule in my heart. I love the Lord and I love to serve people. I can't imagine my life without Him. My husband and I attend Foursquare Gospel Church in Decatur, IL.
