

Debbie Renfro

I was born in Tuscola, IL and am sister to 5 siblings, 3 sisters and 2 brothers. I met my husband, Skip Renfro, in the fall of 1975 and married in June of 1976. We live in Lovington, in a home we built in 1984. I love to spend time with my family and my pets, who are actually my kids. I have 3 cats and 3 dogs, I would have lots more animals, but Skip won't let me bring anymore home. I love to garden and grow flowers.

I graduated from Sullivan, IL high school in 1975. I started working in a sewing factory for a couple of years after graduating, then worked as a welder for 8 years building fertilizer tanks. I went from there to a local cabinet factory and started work on the plant floor and then moved on to truck driver, to dispatch, then to sales. I left the factory to team drive with my husband until the trucking company closed, then I was employed by Richard Bowman as secretary for DHF.

I accepted Jesus as my Lord and savior in August of 1988. Through this ministry I have come to know and love so many people. I can't begin to tell you what this has meant for me. My life is richly blessed.
