

AMAZING GRACE CHRISTIAN CHURCH JOINS DHF

On November 9 the congregation of Amazing Grace Christian Church in Tacoma, Washington voted unanimously to join DHF. The church began as a new church start of the Disciples of Christ denomination. Over the past several years the church's leadership became increasingly concerned about the problems they saw in the denomination and began discussing a change of fellowship.

Mark Latham is pastor of the congregation. The church currently meets on the campus of Northern Baptist Seminary in Tacoma.
